ABOUT LANDWAY

Landway Engineering (Pvt) Ltd is a professionally managed engineering and property development company specializing in the design, development and construction of high-quality apartment projects. We combine technical expertise, innovative design and efficient project management to deliver modern living spaces that meet today's lifestyle needs.

As developers, we oversee projects from concept to completion, ensuring every apartment is built with structural integrity, smart space planning and long-term value in mind. Our approach focusses on quality construction, cost efficiency and timely delivery, making us a trusted partner for residential developments. Landway Engineering continues to shape urban living by developing apartments that offer reliable construction, modern design and lasting value

ABOUT THE PROJECT

LANDWAY HOMES #.96, MANNING PLACE, COLOMBO 06.

Nestled in the vibrant heart of Colombo 06 at number 96, Manning Place, Landway Homes is an intimate residential haven crafted for modern families, discerning professionals, and visionary investors. Comprising just 22 meticulously designed residences across 5 versatile unit layouts, this exclusive development balances low-density privacy with the pulse of city convenience.

Whether unwinding by the rooftop swimming pool, enjoying fresh coastal breezes, or accessing premier schools, dining, and transit along Galle Road within minutes, owning a home here means securing a lifestyle of refined comfort and lasting value.

22 SPACIOUS UNITS
9 RESIDENTIAL FLOORS
